What is Overflow Youth Ministry?

Overflow is the combined effort of St. James and St. Elizabeth Ann to deepen the relationship of our youth with Jesus Christ. Through prayerful experiences, strong community, and caring leaders to guide the way, teens can grow as disciples and grow closer to Christ. Youth are invited to grow in their faith with the many different events and gatherings offered at both parishes and around Omaha. Overflow nights offer time spent in small groups led by parishioners. Overflow nights also provide time for teens to grow in community and learn the faith together under the guidance of caring adults who are parishioners at both parishes. If you are a parent, teen, or interested adult and want more information about any event, contact Hannah Keisling. Volunteers always welcome to help lead small groups, organize food, etc.
